KEY FOR THIS BUYING GUIDE

Fairtrade Certified™ Products

Products carrying the distinctive blue and green FAIRTRADE Label are the only products to be Fairtrade

Certified™. Fairtrade is the only independent certification system, part owned by the small-scale farmers and workers who benefit from its fair

and stable price. Cooperatives also receive an extra Fairtrade Premium which they invest in social, environmental and business development projects. Fairtrade cooperatives, traders and businesses licensed to use the FAIRTRADE Label are regularly audited to ensure they comply with the Fairtrade Standards.
